“A Call to Action by Congress”

Hispanic 100 Policy Committee Urges Action by Congress on DACA

Over a month ago, the Hispanic 100 Policy Committee convened representatives and leaders from the nation’s leading Latino conservative and progressive organizations to call on Congress to deliver a real and effective bipartisan solution for Dreamers. More than 10 organizations from across the political spectrum participated in the event, demonstrating the urgency and broad support that exists to provide relief for these young immigrants brought to the country as children.

“Today, Hispanic 100 applauds Republican members of Congress who understand that we need a permanent solution for DACA youth who comprise part of the fabric of this country and are helping to make this country great again. We call on other Congressional Republicans and Democrats to come together so these young people can achieve the American Dream. It is imperative that we act boldly and swiftly”, said Hispanic 100 Chairman, Mario Rodriguez.

Thanks to Congressional members participating today, including Rep. Dan Newhouse (R-WA); Rep. Don Bacon (R-ME);, Rep. Jose Barton (R-TX); Rep. Susan Brooks (R-IN); Rep. Mike Coffman (R-CO); Rep. Ryan Costello (R-PA); Rep. Jeff Denham (R-CA); Rep. Charlie Dent (R-PA); Rep. John Faso (R-NY); Rep. Brian Fitzpatrick (R-PA); Rep. Peter King (R-NY); Rep. Leonard Lance (R-NJ); Rep.
